The Real Smart Izzy

>
The Real Smart Izzy

>
May I have your attention please?

>May I have your attention please?
Will the real Smart Izzy please stand up?

>I repeat, will the real Smart Izzy please stand up?
We're gonna have a problem here

>
Y'all act like ya never seen a smart person before

>Jaws all on the floor like all the Dark Masters just burst in the door
And started whooping Piximon's ass worse than before

>It wasn't very good for his pores, gettin' smashed into the furniture (Ahh!)
It's the return of the...

>"Ah, wait, no way, you're kidding,
he didn't just warp-digivolve, did he?"

>And Myotismon said...
Nothing you idiots! Myotismon's dead, to DemiDevimon's amazement!

>(Ha-ha!)
Lady Devimon loves my brain

>"Checka Checka Checka Smart Izzy, I'm sick of him
Look at him, walking around grabbing his calculator, building a new computer

>Yeah, but he's so cute though"
Yeah, I probably got a few files on my hard drive loose

>But no worse than the porn that's in the president's bedroom
Sometimes, I wanna get on the Net and just let loose, but I can't

>But it's cool for Wizardmon to read about Mother Goose
"My crest is on your lips, my crest is on your lips"

>And if I'm lucky, you might just give it a little kiss
And that's the message that we deliver to little kids

>And expect them not to know what a digivice is
Of course they

gonna know what digivolving is

>By the time they hit first grade
They got Fox Kids, don't they?

>"We ain't nothing but digimon"
Well, some of us Devimon

>Who kill other people just for fun
But if you can digi it, excuse the corny pun

>Then there's no reason that a Greymon and another Greymon can't have "fun"
(Eeeeew)

>But if you feel like I feel, I got the runs
Kabuterimon do the Electro, sing the chorus and it goes

>
I'm Smart Izzy, yes I'm the real Izzy

>All you other Smart Izzies are just girly pansies
So would the real Smart Izzy please stand up?

>Please stand up, please stand up

>Cuz I'm Smart Izzy, yes I'm the real Izzy
All you other Smart Izzies are just girly pansies

>So would the real Smart Izzy please stand up
Please stand up, please stand up

>
Bill Gates don't gotta have digimon to sell his programs

>Well I do so fuck him and fuck you too!
You think I give a damn about Puppetmon?

>Half his attacks don't even make sense, so he'd better run
"But Iz, what if he won, wouldn't it be fun?"

>Why? So you guys can just get me to dumbly play along?
While the other digidestined kick the shit out of Machinedramon?

>Shit I'm getting mad at MegaKabuterimon
He can't or won't digivolve, and that's not the worst

>He won't help me steal my damned teacher's purse
You little bitch, disqualified me on that spelling bee

>"Yeah, he's cute, but I think he's saving the world, hee-hee"
I should upload a virus to her little computerey

>And show the whole world what happens when you mess with a genius like me
I'm sick of you little Garbagemon

>All you do is annoy me so I have sent Kabuterimon to destroy you
And there's a million of us just like me

>Who are nerds like me; who know the square root of Pi like me
Who dress like me; walk, talk and act like me

>And just might be the next best thing but not quite me!

>Cuz I'm Smart Izzy, yes I'm the real Izzy
All you other Smart Izzies are just girly pansies

>So would the real Smart Izzy please stand up?
Please stand up, please stand up

>
Cuz I'm Smart Izzy, yes I'm the real Izzy

>All you other Smart Izzies are just girly pansies
So would the real Smart Izzy please stand up?

>Please stand up, please stand up

>I'm like a Datamon to listen to cuz I'm only giving you
Things you talk about with other nerds inside a computer room

>The only difference is I got the balls to say it
Not because I'm tall but because Kabuterimon could cremate you all

>I just get on a chatroom and type it and whether you like to admit it
I just typed faster than 90 percent of you hackers out there

>Then you wonder how can I scramble the White House computers like they're Macs
It's funny cuz at the rate I'm going when I'm 30

>I'll be the only person in the digiworld killing
Shooting Numemon while I'm eating at a Burger King

>And I'm hacking but this whole decryption code isn't working
And every single person is a Smart Izzy lurking

>He could be building Pentiums, spitting while he's CD-burning
Or
in the computer lab, hacking, screaming, "Agumon looks like my butt!"

>With his Windows 98 down and his IE up
So, will the real Izzy
please stand up?

>And start working on a virus that packs a wallop?
And be proud to
be outta ya mind and as short as a mole

>And one more time, loud as you can, how does it go?

>I'm Smart Izzy, yes I'm the real Izzy
All you other Smart Izzies
are just girly pansies

>So would the real Smart Izzy please stand up?
Please stand up,
please stand up

>
Cuz I'm Smart Izzy, yes I'm the real Izzy

>All you other Smart Izzies are just girly pansies
So would the
real Smart Izzy please stand up?

>Please stand up, please stand up

>I'm Smart Izzy, yes I'm the real Izzy
All you other Smart Izzies
are just girly pansies

>So would the real Smart Izzy please stand up?
Please stand up,
please stand up

>
Cuz I'm Smart Izzy, yes I'm the real Izzy

>All you other Smart Izzies are just girly pansies
So would the
real Smart Izzy please stand up?

>Please stand up, please stand up

>Ha ha
Guess there's a Smart Izzy in all of us

>Prodigious!

>-----

>So what'd ya think? *Ducks at the pies thrown at him*

>

>---CINCTRISSOC, "Knowledge is crap, but power is something you can
use". <p><p>
